

TDAG MEMBERSHIP APPLICATION

Tourism Development Alliance of Georgia's successes over the past two years, in developing support and awareness of the hospitality and tourism industry's role as a vital economic development strategy within communities around the state, would not have been possible without the active involvement and participation of our advocates.

As a tourism advocate, we encourage you to become a member of the Alliance and help us carry out our mission of strengthening support for tourism throughout Georgia. Membership in the Alliance is open to everyone who believes that *Tourism is Economic Development* and *Tourism is Good for Georgia*.
